YOUR LEGAL TEAM FOR LIFE

Supporting you at your most vulnerable

OUR EXPERIENCED FAMILY LAW TEAM CAN HELP YOU THROUGH DIVORCE AND SEPARATION

A relationship breaking down can be the most traumatic time of your life; no one can predict or control the future. Things may change unexpectedly at any moment.

Few relationships are without any issues; however when the problems become unbearable, a relationship may have irretrievably broken down.

Once that point has been reached, it is in the best interests of all concerned to step away and move forward as amicably as possible.

We aim to minimise your pain and the costs to you, and we appreciate that the options we offer you need to be cost-effective.

Our specialist family law team will deal with your case in a sympathetic, sensitive manner, they will provide the best legal advice for you, considering your family's circumstances, and the outcomes that you want to achieve, and our expert lawyers will progress at a pace that you are comfortable with.

Our goal is always to protect our client's interests and, where possible, to find an amicable, mediated, non-confrontational outcome, particularly where there are children to consider.

Call us today on **020 8363 4444** to discuss whether our expert legal advice can help resolve your problems

Our expert team of legal specialists can help with:

You still need a solicitor, even after a "No Fault Divorce", to work through a fair separation of joint assets.

SEPARATION

Our team have expertise bringing and defending "TOLATA" lawsuits when unmarried couples separate.

FAMILY FINANCIAL AFFAIRS

Our team is experienced in dealing with finances involving company assets, foreign property and pensions.

CHILDREN ACCESS ISSUES

Divorce can have an adverse impact the children. We can help you agree custody, access, support and maintenance issues. Or prevent inappropriate access.

PRE & POST NUPTIAL AGREEMENTS

The court still has the power to waive a Pre-nuptial Agreement (for example, when it is deemed unfair to any dependent child of the marriage), so it is important that your pre-nup agreements are well written.

DOMESTIC ABUSE

Whether controlling and coercive or threatening behaviour, physical violence or verbal harassment, we can help you get the court orders to make this abuse stop.

GRANDPARENTS' RIGHTS

Whilst the law is maybe unclear, our experts can help resolve these issues amicably by mediation before going to court.
